modular sofa with metal structure and wooden frame supported by elastic belts. The seat cushions are filled with expanded polyurethane foam with three different densities, covered with siliconized microfiber. The backrests have a metal structure padded with expanded polyurethane foam and are equipped with a mechanism that offers two comfort positions (two different seat depth options). The back cushions are filled with an expanded polyurethane foam insert, covered with siliconized microfiber. The armrests have a wooden frame padded with polyurethane foam and a black chrome metal plate; the armrest cushion is filled with coupled siliconized microfiber. The legs are in black chromed metal
